

AEP TEXAS ANNOUNCEMENT:

“AEP Texas will be performing construction in our area in order to improve its electrical system beginning January 2019. The impacted areas are: Tesoro Drive, Reales Drive, Bullion Court, Peseta Court, Moro Lane, Royal Fifth Court, Coba De Bara Circle, Camino De Plata Court, Port Royal Court, King Philip Court, and Queen Johanna Court, Weather permitting, the project should last through July 2019.

The intent and scope of the project will be to upgrade the underground electric system which will improve service reliability for this area. We do not anticipate any interruptions of service at this time.

We thank you in advance for your patience throughout this needed construction improvement.”

“We are planning a 6-hour outage from 9:00 am-3:00 pm on January 24, 2019, to replace underground lines in the Commodores Cove Subdivision. The streets included in this outage are: La Entrada Calle, Tajamar Court, Primavera Drive, Bello Drive and Navigation Channel.

The initial inconvenience for the residents of the Island will benefit them long term by providing better reliability.”
