Subject: Robert Algeo - Resume for Publication - Candidacy for March PIPOA Board election

I care as deeply about our quality of life on this Island as I care about the protection of our individual property rights. I share similar beliefs with Board candidate Kelly McFadden about the way our POA should be managed in accordance with State Law, as well as our PIPOA Covenants, Bylaws and Articles of Incorporation. We should never suffer again under the mismanagement that tried to instill their own oppressive rules against us property owners, which happened just a couple of years ago.

After our POA Audit is completed, and if Kelly McFadden and I are both elected, I trust that our POA Board can eliminate the previous conflicts which have plagued our POA and were preventing our Community from moving forward together in peace, in accordance with the law and our governing documents.

I'm Robert Algeo, a retired military veteran with over 30 years active duty service, in which my primary responsibilities in the U.S. Coast Guard were Air-Sea Rescue, Law Enforcement, Environmental Protection and Aids to Navigation. Additionally, I served for three years as the Civil Rights Representative and Executive Steering Committee Department Head for over 100 USCG Units in this 8th Coast Guard District, from the Florida Panhandle to the border of Mexico.

After serving my last few years of Coast Guard Service at Air Station Corpus Christi, I decided to stay on the Island in my

retirement, because I love living here. I volunteered as a member of the Padre Isles Homeowner's Advisory Committee for over 3 years, during which time I volunteered my own equipment and labor to play a major role in beautifying our POA entrance medians, which used to be overgrown with weeds, 6 feet tall.

I'm committed to our quality of life issues here in Padre Isles and I hope that you will consider voting for me, as well as Ms. Kelly McFadden in this important election.

Sincerely, Robert Algeo
