FOR IMMEDIATE RELEASE – Friday, July 9, 2021

VIRTUAL TOWN HALL & ONLINE SURVEY FOR FUTURE BOB HALL PIER

Corpus Christi, Texas- Nueces County will be providing a chance for the residents to be heard in an online survey and Virtual Town Hall Meeting for public input on the future of Bob Hall Pier! This iconic symbol of the Coastal Bend will be rebuilt, but not without the citizens' ideas and vision.

Bob Hall (what was then called Nueces Beach Park) debuted the same day as the opening of the brand-new Padre Island Causeway on June 17, 1950. The original pier that ended in a T-head was about 300 feet long, constructed of timber, and cost a little over \$17,000. The pier has faced adversity in the past and the county has rallied to the call when it needed to be repaired. The times in the Coastal Bend have changed and so will this iconic Pier, but not without the thoughts of those who will share in it's beauty and memories for future generations to come.

To participate in the online survey-simply go to www.futurebobhallpier.com. It will be up and running this weekend.

The Virtual Town Hall Meetings will be held as follows:

- July 22nd at 5pm
- July 23rd at 9am

The login for the Town Hall Meeting is <https://us02web.zoom.us/j/9987206754#success> . This link will also be on the website.

If you are unable to log in, please mail your comments to 901 Leopard, Room 303.11; Corpus Christi, Texas 78401 or call/e-mail:
